- Business centers:
 - 20 business centers in the canton

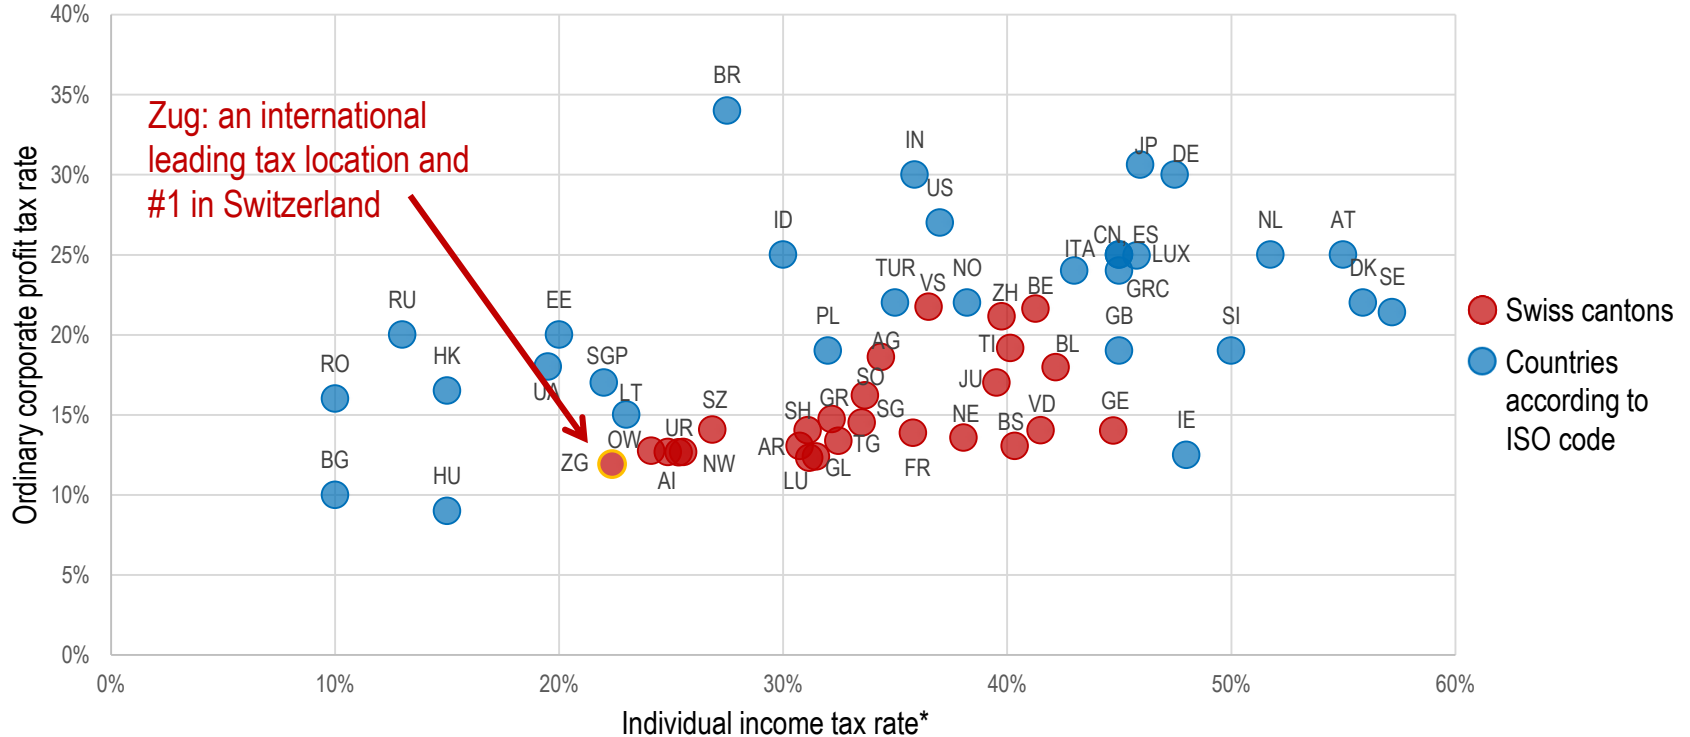

Kanton Zug

Zug: highly attractive tax environment

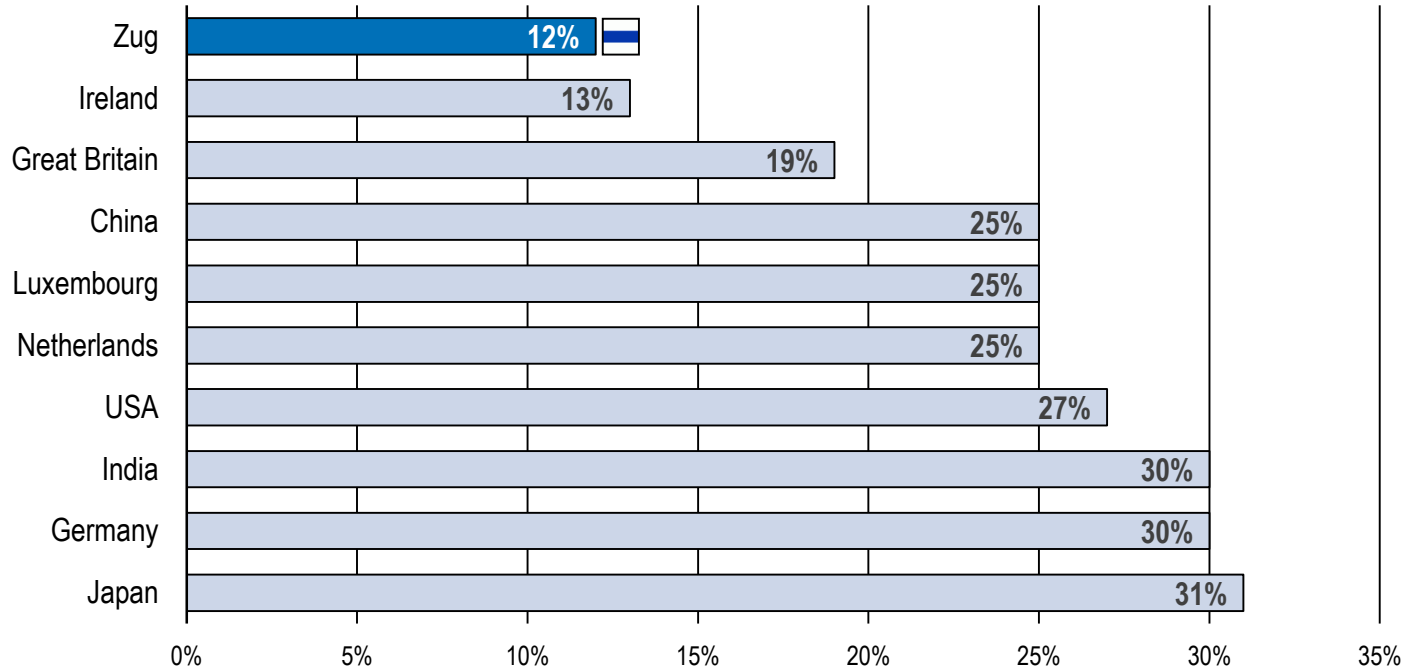

Corporate profit tax and individual income tax

International tax comparison

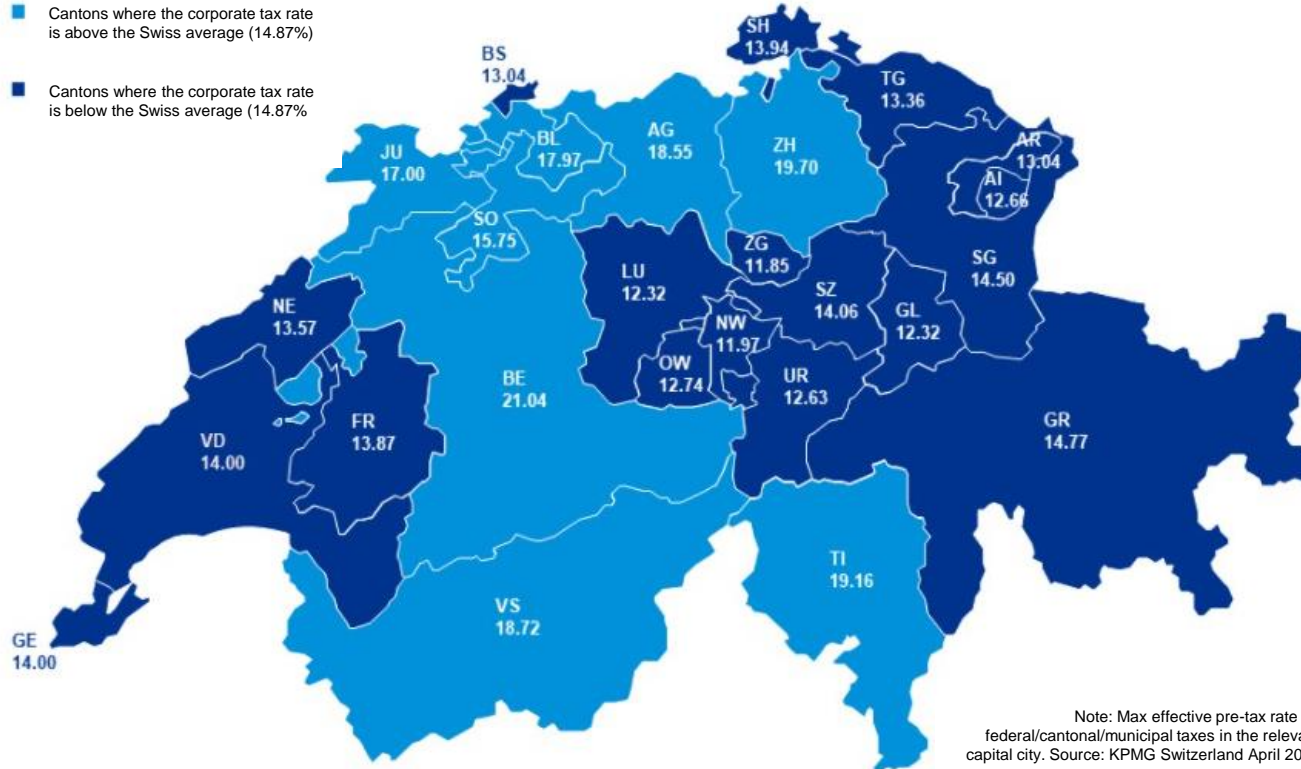

*based on maximum effective input tax rate federal/canton/municipality

Corporate profit tax – international comparison (ordinary tax rate)

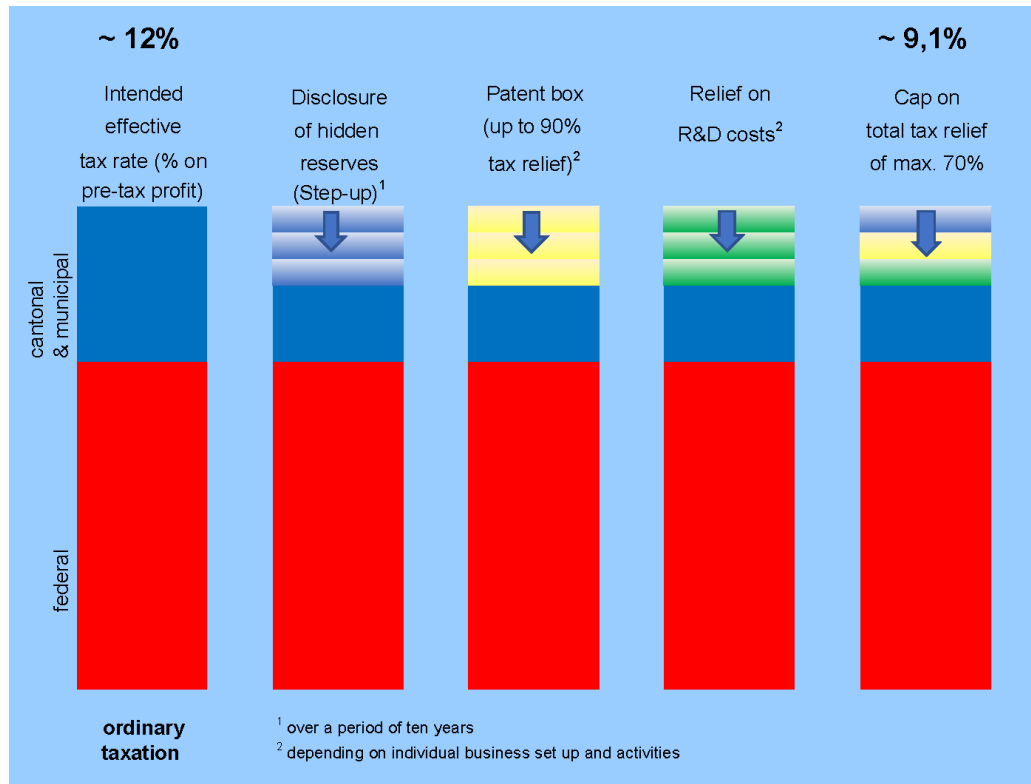

Swiss cantonal corporate profit tax rates for companies

- Cantons where the corporate tax rate is above the Swiss average (14.87%)
- Cantons where the corporate tax rate is below the Swiss average (14.87%)

Note: Max effective pre-tax rate for federal/cantonal/municipal taxes in the relevant capital city. Source: KPMG Switzerland April 2021

Corporate profit tax Zug

- Total regular profit tax rate (cantonal, municipal, federal): 12%
- patent box: tax relief of 90% on earnings from intellectual property
- R&D costs: additional deductions of 50% of qualifying expenses
- step-up: tax-neutral disclosure of hidden reserves
 - in case of transfer of domicile or management to CH (depreciation within 10 years)
 - in case of local companies (special tax rate over period of five years)
- Total maximum combined tax relief for patent box, R&D deductions and step-up: 70%

Patent Box

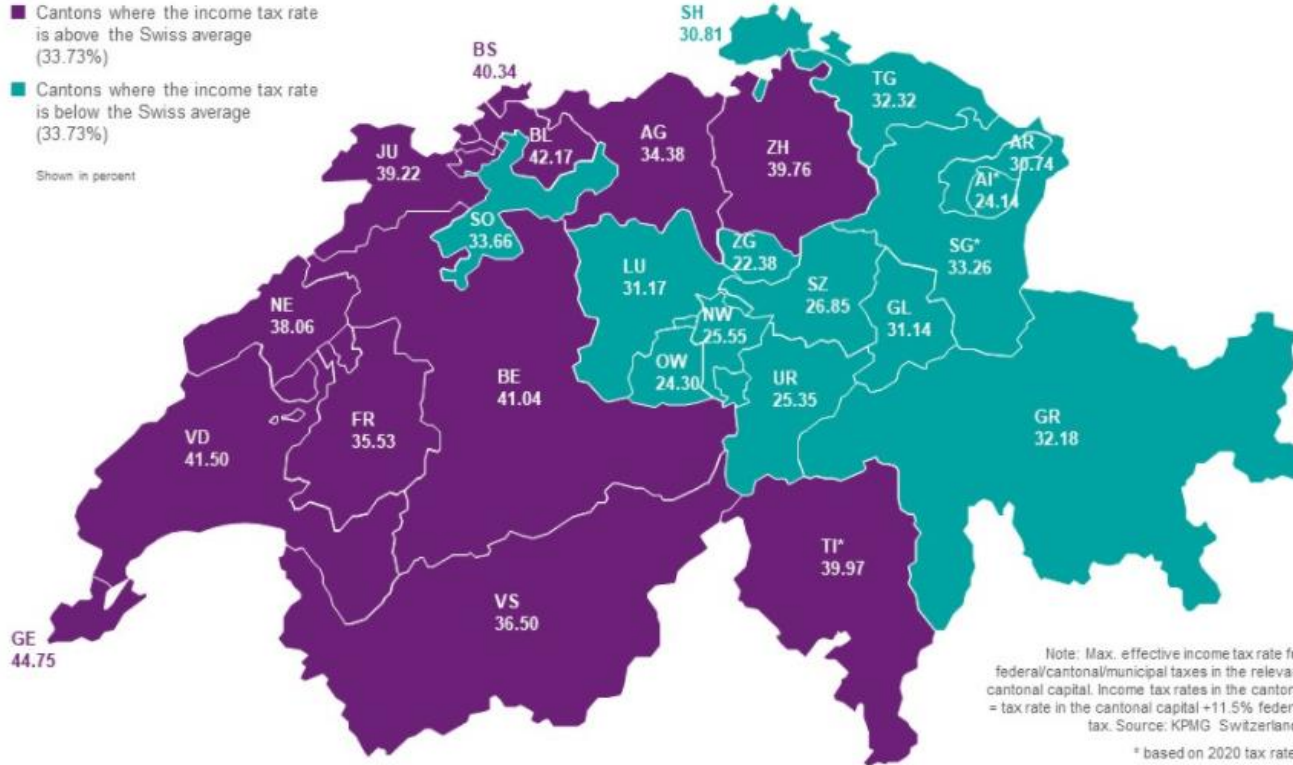

In order to qualify for the box a patent must:

- relate to research and development activities
- nexus approach: must be in Switzerland, except third party R&D abroad.

The patent box covers registered patents.

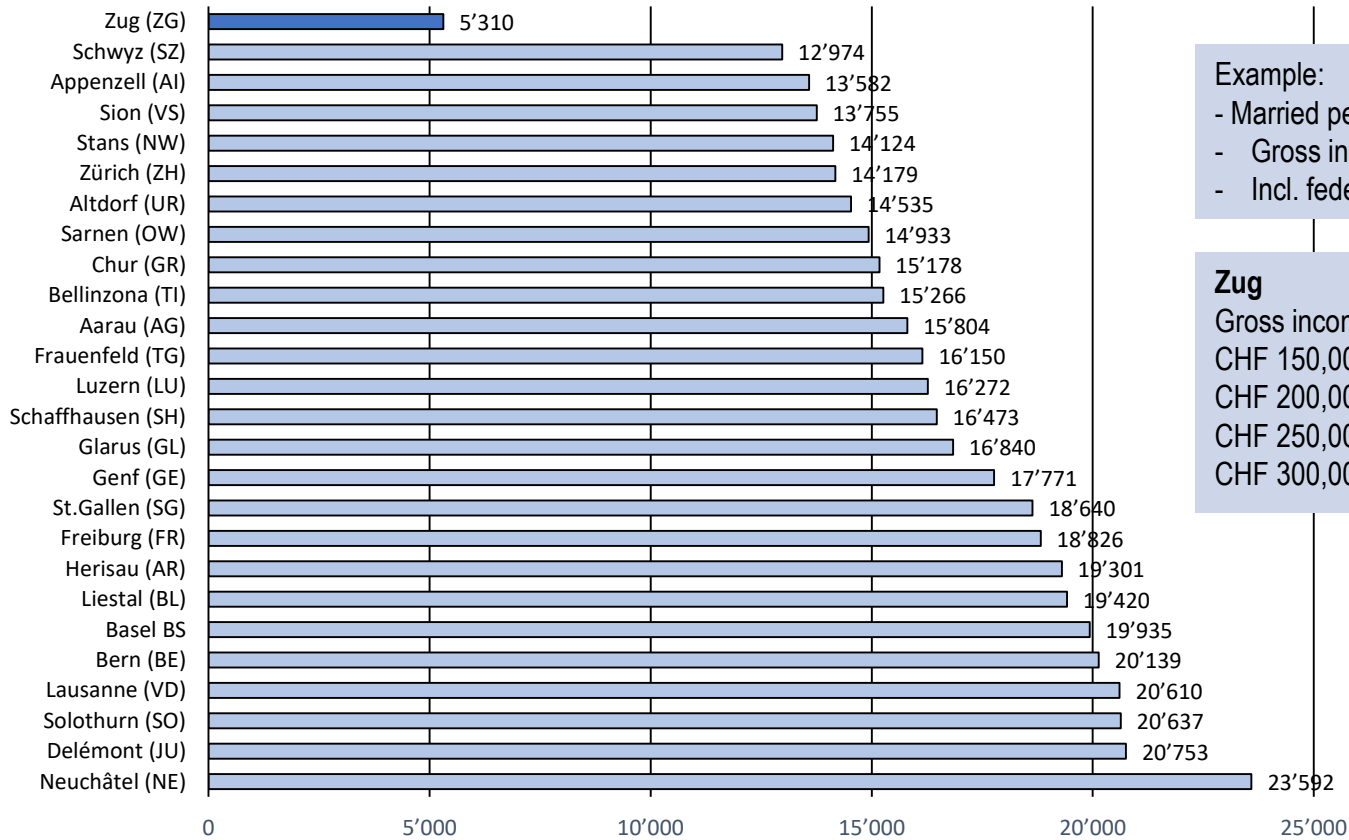

The patent box is only applied at the level of cantonal and communal taxes.

Individual income tax - Swiss cantonal tax rates

Intercantonal tax comparison

Private individuals

Example:

- Married person with two children
- Gross income CHF 150,000
- Incl. federal, cantonal, communal and church tax

Zug

Gross income:	Tax in % of gross income:
CHF 150,000:	3.54 %
CHF 200,000:	6.57 %
CHF 250,000:	10.29 %
CHF 300,000:	13.08 %
